

Washington State

Public Works Board

Recommended for 2016 Construction Loan Funding:

Clark County

NE 10th Ave (154th to 164th Street)

County: Clark
Legislative District: 18th
PWB Loan Request: \$7,000,000
Other Funds: \$16,629,000
Total Project Cost: \$23,629,000

Serves:

- **Schools:** 3 (3,417 Students)
- **Businesses:** 148
- **Community Facilities:** 8

This project will complete a missing roadway section on NE 10th Avenue between NE 154th Street and NE 164th Street in Clark County, including construction of a 3-lane roadway and a 450-foot long, 2-lane bridge over Whipple Creek with elevated approaches. Construction will also include sanitary sewer, water and electric utility extensions by project partners, stormwater ponds on both sides of the bridge and required environmental mitigation.
